mission statement

We, at LASO, believe that we can connect Latino students to empower them and give them a voice. LASO is an organization in which Latino students and the Latin community in Knoxville can speak openly about issues concerning Latinos today. It is about building solidarity, community, and discussing the unique experience that is being a Latino in college. We welcome all allies with the interest in learning and respecting our cultures.

our focus

We are committed to bridging the gap between the Latino community and other cultures through friendship!

We hope to do this by:

- Educating the community on the Latino culture
- Reaching out to the Latino community on and off-campus
- Uniting the Latino community with others

membership dues

$10 per semester

Membership fees help support our work both on campus and in the community.
